HELP KEEP AFRO-CUBAN FOLKLORE ALIVE IN EUROPE

ICCD was founded in 2022 by former dancers and teachers of the Conjunto Folklórico Nacional de Cuba. Today it brings together dancers from all over Europe. We train together every month, perform Cuban folkloric dance on stage and pass on what the maestros teach us.

Training weekends

A different European city every month, with live drums and the maestros Leonardo Martínez Moya, Arelys Savón Beltrán, Sergio Larrinaga Morejón and Mireisi Muchuli Morales.

Shows

Raíces Cubanas, our full-length Afro-Cuban folkloric show, and 17 performances so far at festivals, theatres and cultural events.

Community

50 dancers from 19 countries, 9 musicians and a team of volunteers, run as a non-profit association.

**COME FOR THE DANCE. STAY FOR THE
PEOPLE.**
